## Electrostatic Sprayer

Digital Ally's Shield Electrostatic Sprayer is an innovative disinfecting and sanitizing device that can be used to fight COVID-19 and other illnesses. Ideal for use in office buildings, schools, and other populated areas the Shield Electrostatic Sprayer is designed to be used with EPA approved Shield Disinfectant/Sanitizer.

### Specifications:

- One-gallon reservoir
- Charges particles to affix to surfaces more evenly for better coverage
- Increased electrostatic charge = better coverage
- Particles disperse into and around crevasses covering those hard to reach areas
- Charged particles repel each other, eliminating large droplets, to help keep the spray finer
- Pairs perfectly with our Shield Disinfectant/Sanitizer product line
- Ergonomic design for comfortably, long term use
- Can be operated as single-piece unit or two-piece wand
