Here's How the Process Works

1 SITEMAP DEVELOPMENT

WE PROVIDE: A predetermined and proven sitemap that outlines your new site's information architecture.

YOU: Edit the sitemap according to your needs and priorities.

2 PROFESSIONAL DESIGN

WE PROVIDE: A selection of responsive templates for you to choose from. Templates are accessible (WCAG 2.0 Level AA and AODA 2021), easy to use, include modern design, and are coded and developed by our team.

YOU: Choose your favourite design template and we bring your choice to life with updated logos and brand colours.

3 TRAINING AND CONTENT POPULATION

WE PROVIDE: Comprehensive content management system (CMS) training, Writing for the Web training, a Writing Style Guide and your new blank web pages.

YOU: Write the site's content using your sitemap and blank pages, armed with your brand new training.

4 GO-LIVE

WE PROVIDE: Your completed website with all products and services. Go-Live is in our hands!

YOU: Empower staff with your new website and associated training. Embark on a brand new chapter to reach the heart of your community!
