Eyewitness Data Vault 3
Digital Asset Management System

KUSTOM SIGNALS, INC.®

Intuitive, secure file management... now available with Kustom's Kloud Ownership Promise!

Configurable
- Highly scalable - supports small & large installations - utilize storage locally, to the cloud, or both
- Flexible storage policy based on officer name, car number, file classification, etc. - Improves file management and resource efficiency
- Highly configurable user and user group management - determine which features within the program and the web interface are accessible to users/groups

Convenient
- Intuitive, user friendly interface simplifies learning and enables efficient use
- Compatible with Active Directory and LDAP - easily integrates with established login credentials
- Ingest groups of files (i.e. photos) together and link to a case number
- Easily share content including reports and associated files on media or the web

Secure
- FedRAMP and CJIS compliant cloud storage
- Highly configurable rights management - determine who sees what
- Automatic file integrity checks (MD5) ensures authenticity
- Comprehensive audit reports track and validate chain of custody

Additional Features
- A/V redaction capabilities are built-in, provided at no additional cost
- Multi-camera synchronized playback feature
- Multiple options for sharing evidence
- Powerful search features improve the efficiency and accuracy of searches
- Dashboard application for convenient monitoring of system services/storage
- Web Interface - allows authorized officers to search and play files from web browser

Eyewitness Data Vault 3 ◉

Digital Asset Management System

KUSTOM SIGNALS, INC.®

Storage Options

Full Kloud Storage*

- All evidence stored safely and securely in a CJIS compliant Azure Government data center
- Protection from hardware failure
- Protection from unauthorized access
- Instant, easy ÿle sharing

Hybrid Kloud Storage*

- Store only those evidentiary ÿles you choose to the cloud
- Non-evidentiary ÿles can be stored with on-premises storage
- All of the beneÿts of cloud storage at a much lower cost
- Scale into cloud at your own pace

Fixed Kloud Storage*

- Use a ÿxed amount of Eyewitness Kloud Storage, tailor-ÿt to Agency needs
- Includes all of the features and beneÿts of Full Kloud Storage while providing a ÿxed cost solution based on pre-determined storage limits

* Cloud performance is subject to ISP and bandwidth limits

Our Kloud Ownership Promise

Kustom Signals will honor your Agency's ownership of video assets collected and will not require multi-year commitments. If you choose not to renew your annual Kustom Kloud agreement, Kustom Signals will facilitate the return of your files, allowing them to be managed by your EDV3 installation as on-premises storage.
