Omnalink® OM500 Electronic Monitoring Device

Simple. Reliable. Accurate.

The Omnilink® OM500 is a versatile, one-piece, electronic monitoring ankle bracelet using GPS/cellular based, 2-way communication capabilities. The OM500 was designed to track—and communicate with—all types of offenders 24/7, indoors and out. The OM500 signals offenders using tone, vibrations and audio messages, and can receive offender acknowledgment in return.

The OM500 pairs with the optional OM500 RF Beacon to precisely verify in-home locations. The OM500 uses a cloud-based software application, FocalPoint®, to accurately map, track, and monitor offender location and movements.

OM500 BENEFITS

- Market leading battery life of up to 5 day in optimal conditions
- Patented speaker-less multi-language voice communications
- Magnetic swivel charger for more foolproof charging and charger device breakage mitigation
- Reduced false alerts compared to other systems
- Tracks indoors and in GPS-impaired environments
- Waterproof, submersible
- Cut-free strap installation prevents false strap tamperers
- One-piece design, tool-free installation
- Minimal alerts, less management required
- Cellular, satellite, Wi-Fi signals for always-on, high precision tracking

	Specifications
LOCATION TECHNOLOGIES	GPS, Wi-Fi, Beacon
WIRELESS COVERAGE	Verizon LTE Network
CERTIFICATIONS	FCC, Verizon, and IC/ISED compliance
PHYSICAL	3.94" (h) x 2.6" (w) x 1.52" (d) 8.22 oz.
IP WATERPROOF	IP-68, IP-69K
SAFETY SPECIFICATIONS	Hypoallergenic SAR Compliant Safe Rechargeable Battery No Sharp Edges NIJ Emergency Removal Possible Removal Compliant
CHARGER CONNECTION	Rapid charger, rotating magnetic charger
STRAP	Standard, reusable 15" (larger 19" size available)
TAMPER DETECTION	Fiber optic strap Backplate removal Water leak detection
DEVICE COMMUNICATIONS	Tone Vibration Audio (prerecorded and custom multi-language messages)
DEVICE AUDIO LEVELS	Standard: 70 db; high: 90 db

Improve efficiencies, cut costs.

FocalPoint is an award-winning, electronic monitoring software application that offers easy-to-use, on-demand access to critical offender monitoring data.

Administering an effective electronic monitoring program depends on leveraging smart multitasking tools. Flexible FocalPoint options from Omnilink, a Sierra Wireless solution, make it easy to manage persons of interest anytime, anywhere, from a desktop, smartphone, or tablet. Built to increase efficiency, FocalPoint offers streamlined functionality with a secure platform.

FEATURES

Compatible with Chrome, Internet Explorer, Safari, and Firefox browsers

Comprehensive location and mapping functionality including filtering and location history

Communication Center to send custom audio messages to offenders

Robust reporting including export capabilities

Language support for Spanish and English

Alert tagging and alert notifications through text or email

Zoning and customizable geofencing

Intuitive, quick reference dashboard

Drag and drop schedules for simple adjustments

BENEFITS

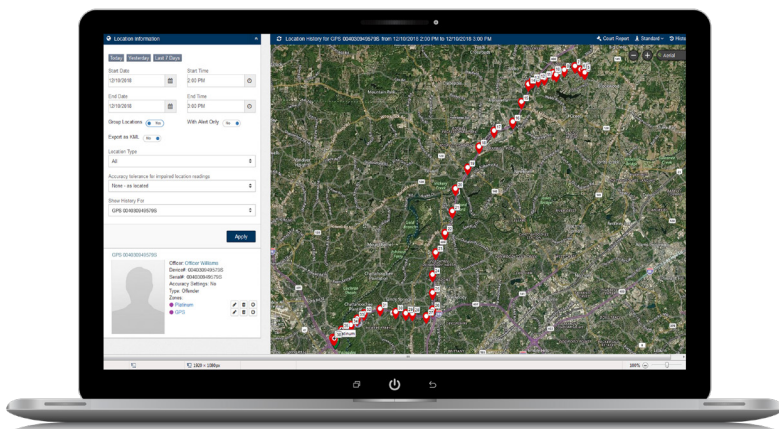

Flexible options for tracking offenders regardless of location or device

Provides intuitive software that is user friendly and easy to learn

Increases efficiency through customizable system configurations

Enables quick response to offenders who abscond or take flight

Reduces recidivism of monitored offenders
