

LTE BODY-WORN CAMERA Gen 3

Capture Video on the Go

The latest Getac Body-Worn Camera delivers ultra-wide angle, full HD video, even in low-light conditions. With 4G LTE capabilities ~16 hours of battery life with a second battery and a wide range of communication features, it can go wherever the action is, providing complete situational awareness in critical scenarios.

Single-Unit Charging Dock

Swappable Secondary Battery

Always Connected

The BC-03 supports AT&T, FirstNet, Verizon and other worldwide cellular networks for real time and true live streaming with GPS geo-tracking. Device may be purchased without LTE

Ultra-Wide ZeroDark

165° diagonal view with 1080p full HD resolution with HDR captures ultra-sharp video, even in the night with little light.

Unlimited In-Field Tagging

The BC-03 supports AT&T, FirstNet, Verizon and other worldwide cellular networks for real time and true live streaming with GPS geo-tracking to work with Getac Enterprise and Command for officer safety. LTE is Optional with WIFI model.

Second Battery

Never run out of power. A second battery for longer shift operations, recording up to ~16 hours of video and audio, so you don't have to worry about stopping mid-shift and charging. The second battery charges the internal battery and may be removed/replaced after its depleted.

Ultra-Rugged, Advanced Service Exchange

MIL-STD 810G tested so it's ready for the most extreme environments. Should a failure occur, Getac provides "advance exchange" to keep your fleet operational at maximum level.

Drop the Mic

Pairing the BC-03 with the VR-X20 allows you to replace your wireless microphone, making it a great two-in-one solution providing better audio quality and reducing equipment for the user to wear.

Video Output Format: .MP4 (H.264)

Video Output Resolution: 1920x1080(FHD), 1280x720(HD), 768x432(VGA), 640x360(VGA)

Video Output Frame Rate: 30 fps

FOV (Field of View): 140° (Horizontal) / 165° (Diagonal)

Storage: 64 GB

Recording/Pre Buffer Recording Time: ~16 Hours, LTE use will reduce battery life. Device may be purchased without LTE

Watermark: Supports Date/Time/Officer ID stamp overlay on video footage

Pre-record: Supports 10; 20; 30; 60; 120 seconds

Buttons: Power, Main, Category Wheel, Covert Switch

I/O Interface: Ethernet Docking, Getac Bluetooth Triggerbox, Getac Mobile Edge

Additional Features: GPS, 4G LTE (optional), RFID Tag, Covert Recording Mode, Instant Event Categorization, Background Recording

Connectivity Interface: Wi-Fi 802.11 b/g/n/ac, Bluetooth LE

Power: Battery 4.2V, 3450 mAh; Battery Pack 2900 mAh (Optional); Magnetic Charging Cable (Optional)

Rugged Features: MIL-STD-810G (Vibration & 6 feet drop resistant), IP67

Operating Temp while worn by officer: -22°F to 140°F; Storage Temp: -40°F to 160°F

Dimensions (W x D x H): 2.98" x 2.01" x 0.93"

Weight: 6.35 oz

Mount Options: Pocket Mount, Molle Mount, Chest Clip, Chest Mount, Epaulette Clip, Magnetic Mount, and Swivel Mount

Warranty: 1 Year Standard limited warranty*. Extended plans available.

Battery performance will vary based on power management settings, video resolution and environmental conditions. As with all batteries, maximum capacity decreases with time and use and may eventually need to be replaced by a Getac service provider. Battery life and charge cycles vary by use and settings.

Check with representative for warranty, updated specification. Specification subject to change without notice.
