MEMORANDUM

TO: North Carolina Vehicle/Motorcycle Dealers and Manufacturers  
FROM: Jason Bennett  
Director - Business Development  
North Carolina Sheriffs' Association  
DATE: June 10, 2022  
RE: 2022/2023 - Vehicle and Motorcycle Contract Year

This letter serves as the Association's official solicitation to dealers and manufacturers for the North Carolina Sheriffs' Association's (NCSA) 2022-2023 Vehicle and Motorcycle Procurement Program. The NCSA has made the decision to implement Section 1.3 *Term of Contract* of the Association's Terms and Conditions. The NCSA will rollover all contracts currently held under Bid 22-08-0913. The rollover contract will be effective October 2, 2022 – October 1, 2023 and published as Bid 22-08-0913R.

In addition to rolling over all 22-08-0913 contracts, the NCSA will also go out to bid for any vehicles and motorcycles that are not currently offered under Bid 22-08-0913. A copy of the Association's current contract can be found at <https://ncsheriffs.org/services/vehicle-procurement-program-2>.

As the Association prepares for the 2022-2023 contract year, please remember the NCSA's contract will list specifically the "current model year" offered by the manufacturer. Contracts will not be limited by one model year, rather will accommodate for a change in model year during a contract period. Contract language states that each model is the "Manufacturer's standard base model specifications and current model year for model/model number listed." All models that will potentially be available for the 2022- 2023 contract year need to be made available through the NCSA contract whether the model is currently listed under the existing 22-08-0913 contract or goes out to bid under 23-09-0912.

The Association's Terms and Conditions allow for a mid-year price increase. As these are volatile and unknown times for the Automotive Industry, it is the goal of the Association to ensure we can continue to work with our awarded dealers and manufacturers to serve all our customers the best we can. Contact the Association for more information on mid-year price increases.

IN MEMORIAM

The North Carolina Sheriffs' Association is a Non-Profit, tax exempt organization recognized by the I.R.S.

All vendors who agree to rollover contracts for the upcoming contract year must complete the provided rollover agreement and submit to Kaylyn Mitman, NCSA Manager – Business Development at kmitman@ncsheriffs.net by June 17, 2022, as a pdf file.

Any vendors who do not wish to rollover their existing 22-08-0913 contract for the upcoming contract year must notify Kaylyn by June 17, 2022. You may choose to not rollover for all contracts or individual contracts. Please provide the list of the contracts you wish to not roll over by item number in numerical order and the reason why you wish to not roll over.

All vendors who agree to rollover their contracts for the upcoming contract year shall submit a price increase, updated build sheet, and option sheet for each item number currently on contract. Price increase requests, updated build sheets, and option sheets must be submitted to Kaylyn at kmitman@ncsheriffs.net by August 24, 2022. Requirements on how to submit your price increase requests, updated build sheets, and option sheets will be provided by the NCSA. Please note the rollover pricing will not go in effect until October 2, 2022.

Enclosed you will find the NCSA's Vehicle and Motorcycle Procurement Program's official 2022-2023 bid calendar. All bidding for Bid 23-09-0912 will be completed through the Association's online bid system, VendorLink. All dealers who wish to participate must register with VendorLink to have access to submit a bid. All dealers will be responsible for uploading build sheets, option sheets (must include list of models available for upgrades/downgrades), and all required bid documents.

Registration for Bid 23-09-0912 will be open June 10, 2022 through August 10, 2022. We encourage you to complete your registration as soon as possible. If you already have an account with VendorLink you do not need to create a new account. No bids or required documents will be accepted outside of VendorLink, and the Association will not accept any hard bid submissions for Bid 23-09-0912. All contracts will go into effect on October 2, 2022.

The NCSA looks to our dealer and manufacturer partners for recommendations on which new models to add to our program. As the Association works to prepare the first draft bid package, please complete the "Add/Delete Form" and provide to Kaylyn by **June 24, 2022**. We encourage all bidders to pick the most popular base models you wish to include and have all other applicable upgrade/downgrades listed on the option sheet that will be uploaded with your bid.

We look forward to growing and providing the benefits of our cooperative bid program to even more county and city agencies within North Carolina. Additional information on our Vehicle and Motorcycle Program can be accessed at <https://ncsheriffs.org/services/vehicle-procurement-program-2>. Once you are on the website you will find information on the existing open bids, important documents such as the program's Terms and Conditions, and other bid support documentation. All important documents relating to the 2022-2023 bid period will also be available on VendorLink.

We hope you will participate in this year's rollover and bidding processes. Please contact Kaylyn Mitman, NCSA Manager – Business Development, at kmitman@ncsheriffs.net or at (919) 459-6471 should you have any questions regarding your registration or overall participation.

If your company received this solicitation but are not eligible to sell within the State of North Carolina, please contact Kaylyn Mitman at kmitman@ncsheriffs.net to be removed from our distribution list.

I look forward to working with you. Please contact me at (919) 459-8195 or at [jbennett@ncsheriffs.net](mailto:jbennett@ncsheriffs.net) if you have any questions or need additional information on the Association's Vehicle and Motorcycle Procurement Program.
