MEMORANDUM

TO: Fire/EMS/Law Enforcement Specialty Vehicles
Vendors and Manufacturers

FROM: Jason Bennett
Director - Business Development
North Carolina Sheriffs' Association

DATE: February 1, 2024

RE: 2024-2025 Contract Year

This letter serves as the Association's official solicitation to vendors and manufacturers for the North Carolina Sheriffs' Association's (NCSA) 2024-2025 Fire/EMS/Law Enforcement Specialty Vehicles Procurement Program. The NCSA has made the decision to go out to bid for all equipment. Enclosed you will find the official bid calendar which outlines all important dates and deadlines leading up to contracts being awarded on June 18, 2024. The 2024-2025 contract will be effective June 18, 2024, through June 17, 2025.

All bidding will be completed through our online bidding system, VendorLink. All vendors who wish to participate must register with VendorLink to have access to submit a bid. Registration will be open February 1, 2024, through April 17, 2024. We encourage you to complete your registration as soon as possible. If you already have an account with VendorLink you do not need to create a new account but do need to ensure you are listed as a Planholder for Bid 25-05-0521. No bids or required documents will be accepted outside of VendorLink, and the Association will not accept any hard bid submissions for Bid 25-05-0521. All vendors will be responsible for uploading build sheets, option sheets (must include list of models available for upgrades/downgrades), and all required bid documents.

The Association has created helpful tools to utilize as you complete your bid package. These tools can be found within the "documents section" of Bid 25-05-0521 in VendorLink and include the following: Bid Submission Checklist (part of the Required Documentation Packet), Build and Option Sheet Sample Guide, and VendorLink Vendor Reference Guide. Please ensure you utilize these tools as you complete your bid package.

The NCSA looks to our dealer and manufacturer partners for recommendations on which new models and equipment to add to our program. As the Association works to prepare the first draft bid package, please complete the "Add/Delete Form", found in the "documents" section of VendorLink under Bid 25-05-0521, and provide to Anna (e-mail below) by **February 15, 2024**. We encourage all bidders to pick the most popular base models you wish to include and have all other applicable upgrades/downgrades listed on the option sheet that will be uploaded with your bid.

We look forward to growing and providing the benefits of our cooperative bid program to even more county and city agencies throughout the United States. Additional information on our Fire/EMS/Law Enforcement Specialty Vehicles Procurement Program can be accessed at <https://ncsheriffs.org/services/fire-ems-law-enforcement-procurement-program>. Once you are on the website you will find information on the existing open bids, important documents such as the program's Terms and Conditions, and other bid support documentation. All important documents relating to the 2024-2025 bid period will also be available on VendorLink.

We hope you will participate in this year's bidding process. Please contact Anna Martin, NCSA Senior Coordinator – Business Development, at amartin@ncsheriffs.net or at (919) 459-1072 should you have any questions regarding your registration or overall participation.

If your company received this solicitation but are not eligible to sell within the State of North Carolina, please contact Anna Martin at amartin@ncsheriffs.net to be removed from our distribution list.

I look forward to working with you in 2024. Please contact me at (919) 459-8195 or at jbennett@ncsheriffs.net if you have any questions or need additional information on the Association's Fire/EMS/Law Enforcement Specialty Vehicles Procurement Program.
