

Introducing the new 2025 Police Interceptor Utility

The 2025 Police Interceptor Utility has the same DNA that you have come to rely on for your law enforcement needs. This includes safety, durability, performance, purpose-built and upfit -friendly features.

The 2025 Police Interceptor Utility has exterior changes such as the rear tailgate applique and the taillamps and most of your equipment will carry over into the 25MY PIU Interior.

Not only did we make exterior changes, but we have also updated some interior features such as a new 8" center-stack screen and a 12.3" LED Digital Calibrated Instrument Cluster.

The 2025 Police Interceptor Utility now includes the following as standard equipment:

- Police Perimeter Alert
- Police Engine Idle
- Police Dark Car Feature
- Rear Camera on Demand
- BLIS® – Blind Spot Monitoring with Cross-traffic Alert
- Manual Police Pursuit Mode – Steering Wheel Switch Execution
- Red/White Dome Lamp – Cargo Area
- Rearview Camera in 8" center stack screen
- Ford Pro Upfit Integration System
- 6-way power passenger seat
- Keyless Entry with 4 Manual Keys and Fobs
- PAITRO -output tied to liftgate release switch (Police Accessory Independent Timed-Release Output)
- Climate Control – Rear Aux A/C System
- Updated police grade cloth trim seat material

New Optional Content:

- Police Upgrade Package
- High Series LED Headlamp

The 2025 Police Interceptor order bank is currently open with production starting in May 2024. Please contact your Dealer for additional information.
