On March 23, 2020, Governor Roy Cooper issued Executive Order 120. For your convenience, a copy of Executive Order 120 is attached to this email.

The requirements of Executive Order No. 120 are effective beginning at 5:00 p.m. on Wednesday, March 25, 2020, and will remain in effect for 30 days from that date [i.e. through April 24, 2020.]

**Mass Gatherings = 50+ Persons**
The new Executive Order modifies Executive Order 117 to limit mass gatherings to no more than 50 people [was 100 people]. Section 1. a.1. of Executive Order 120 provides that a mass gathering is defined as any "event or convening that brings together more than fifty (50) persons in a single room or single space at the same time, such as an auditorium, stadium, arena, large conference room, meeting hall, or any other confined indoor or outdoor space . . . [and includes] parades, fairs and festivals.” Not included in the definition of mass gatherings are normal operations at airports, bus and train stations, medical facilities, shopping malls and shopping centers. It also does not include office environments, factories, grocery stores and child care facilities.

The Executive Order provides that the above restriction on mass gatherings is a Class 2 misdemeanor and shall be enforced by State and local law enforcement officers (emphasis added.)

**Entertainment Facilities**
Section 1.b. of Executive Order 120 requires the closure of entertainment facilities without a retail or dining component. Entertainment facilities that must close include bowling alleys, health clubs, indoor/outdoor pools, skating rinks, indoor
exercise facilities, movie theaters, spas, bingo parlors, and gaming establishments.

Gaming establishments that must close include any “gaming and business establishments which allow gaming activities (e.g. video poker, gaming, sweepstakes, video games, arcade games, pinball machines or other computer, electronic or mechanical devices played for amusement.)” A violation of this section is a Class 2 misdemeanor.

If any of these entertainment facilities have a retail or dining component, those may continue to operate within current emergency restrictions. For example, if a spa has a deli or sandwich shop, they can continue to provide take-out food service to customers. In addition, if a health club has a gift shop, they can continue to sell T-shirts and other items from that retail gift shop.

**Personal Care and Grooming Businesses**
Section 1.c. also requires the closure of personal care and grooming businesses. This includes barber shops, beauty salons, hair salons, nail salons, massage parlors, and tattoo parlors. A violation of this section is a Class 2 misdemeanor.

**Long Term Care Visitation Limitations**
Executive Order 120 places restrictions on patient visitation in long term care facilities. For a more detailed description of this provision, please see the attached Executive Order.

**Continued School Closure**
All public schools are closed through Friday, May 15, 2020.

WHEREAS, the World Health Organization declared COVID-19 a global pandemic on March 11, 2020; and

WHEREAS, on March 13, 2020, the President of the United States declared the ongoing COVID-19 outbreak a pandemic of sufficient severity and magnitude to warrant an emergency declaration for all states, tribes, territories, and the District of Columbia pursuant to section 501(b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. § 5121-5207 (the “Stafford Act”); and

WHEREAS, on March 13, 2020, the President of the United States pursuant to Sections 201 and 301 of the National Emergencies Act, 50 U.S.C. § 1601, et seq. and consistent with Section 1135 of the Social Security Act, as amended (42 U.S.C. § 1320b-5), declared that the COVID-19 pandemic in the United States constitutes a national emergency beginning March 1, 2020; and

WHEREAS, on March 14, 2020, the undersigned issued Executive Order No. 117, which prohibited mass gatherings to no more than one hundred (100) people in the State of North Carolina and closed K-12 public schools to limit the spread of COVID-19; and

WHEREAS, on March 17, 2020, the undersigned issued Executive Order No. 118, which limited operations of restaurants and bars and broadened unemployment insurance benefits in response to COVID-19; and

WHEREAS, on March 13, 2020, NCDHHS issued a document entitled “Recommendations on Visitation in Long Term Care Facilities to Reduce Risk of Transmission of COVID-19” urging limitations on visitors at long term care facilities in the state to help limit the spread of COVID-19 among at-risk populations; and

WHEREAS, NCDHHS has now recommended that increased measures are required to control the spread of COVID-19 in long term care settings; and

WHEREAS, needed control cannot be imposed locally because local authorities in some jurisdictions have not enacted appropriate ordinances or issued appropriate declarations as authorized by N.C. Gen. Stat. § 166A-19.31; and

WHEREAS, pursuant to N.C. Gen. Stat. § 166A-19.30(c) during a gubernatorially declared state of emergency, the undersigned determined that local control of the emergency is insufficient to assure adequate protection for lives and property because the area in which the emergency exists has spread across local jurisdictional boundaries; and the legal control measures are conflicting or uncoordinated to the extent that efforts to protect life and property are, or unquestionably will be, severely hampered; and

WHEREAS, based upon the findings above, N.C. Gen. Stat. §§ 166A-19.31(b)(1), (b)(2), and (b)(5) authorizes the Governor to prohibit or restrict the operation of business establishments, the congregation of people as well as the movement of people in public places and take other activities or conditions the control of which may be reasonably necessary to maintain order and protect lives or property during the state of emergency

NOW, THEREFORE, by the authority vested in me as Governor by the Constitution and the laws of the State of North Carolina, IT IS ORDERED:
Section 1. Mass Gathering

For the reasons and pursuant to the authority set forth above:

a. Executive Order No. 117 § 1 is amended as follows:

1. A mass gathering is defined as any event or convening that brings together more than fifty (50) persons in a single room or single space at the same time, such as an auditorium, stadium, arena, large conference room, meeting hall, or any other confined indoor or outdoor space. This includes parades, fairs and festivals.

2. A mass gathering does not include normal operations at airports, bus and train stations, medical facilities, shopping malls and centers. It also does not include office environments, factories, grocery stores, and child care facilities.

3. Pursuant to N.C. Gen. Stat. §§ 166A-19.30(a)(2) and 19.30(c), the provision of this section shall be enforced by state and local law enforcement officers.

b. In addition to the restrictions on mass gatherings identified in Executive Order No. 117 § 1, entertainment facilities without a retail or dining component are ordered to close at 5:00 pm on Wednesday, March 25, 2020, though any retail or dining component may operate within that establishment solely for that purpose. c. In addition, because the ability to practice the social distancing necessary to reasonably protect against COVID-19 is significantly reduced in certain establishments where individuals are in close proximity for extended periods of time, or service personnel are in direct contact with clients, personal care and grooming businesses, including but not limited to the following, are also ordered to close:

- Barber Shops
- Beauty Salons (including waxing and hair removal centers)
- Hair Salons

Section 2. Mandatory Local Government Operations

a. Consistent with my authority under N.C. Gen. Stat. §§ 166A-19.30(c)(1) and (c)(2), and to the extent that local government functions are required under state and federal law, I hereby direct the appropriate local government agencies and officials to continue to exercise their responsibilities, including but not limited to local county Department of Social Services
of Social Services ("DSS") offices, Health Departments, Registers of Deeds, and other local government functions that are required to protect lives and property.

b. Notwithstanding Section (a) of this Section, local government must take appropriate precautions to maintain the health of the general public and their employees who are required to perform their official duties in a manner that brings them in contact with the general public by putting in place appropriate public health measures, such as social distancing, use of reasonable personal protective equipment, and offering reasonable accommodations to employees who provide services to the public with consideration for their health.

Section 3. Long Term Care Visitation Limitations

a. Long term care facilities shall restrict visitation of all visitors and non-essential health care personnel, except for certain compassionate care situations, for example, an end-of-life situation.

b. This restriction does not include essential health care personnel.

c. For purposes of this Executive Order only, long term care facilities include all of the following:

i. Skilled nursing facilities;
ii. Adult care homes;
iii. Family care homes;
iv. Mental health group homes; and
v. Intermediate care facilities for individuals with intellectual disabilities.

For the reasons and pursuant to the authority set forth above:

Executive Order No. 117 § 2 is amended as follows:

I hereby direct that all public schools close for students effective Monday, March 16, 2020, as set forth in Executive Order No. 117, through Friday, May 15, 2020, unless extended beyond that date.

Section 5. Effective Date

This Executive Order is effective at 5:00 pm Wednesday, March 25, 2020, and shall remain in effect for thirty (30) days unless rescinded or superseded by another applicable Executive Order. Section 4 of this Executive Order is effective Monday, March 16, 2020, as set forth in Executive Order No. 117, through Friday, May 15, 2020. An Executive Order rescinding the Declaration of a State of Emergency will automatically rescind this Executive Order.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this 23rd day of March in the year of our Lord two thousand and twenty.
