The North Carolina Sheriffs' Association (NCSA) invites interested bidders to submit bid proposals for its 2022-2023 Technology Cooperative Procurement Program.

Each contract shall be awarded to responsive and responsible bidders. All bids submitted via VendorLink will be made to all responsive and responsible bidders. All bidders will go through a mandatory vetting process, conducted by the North Carolina Sheriffs' Association.

No bidder may withdraw their bid for a period of sixty (60) calendar days after the date set for the posting thereof.

Bidders are hereby advised that the NCSA Contract Administrator reserves the right to reject any bid proposal not considered to be competitive in nature based on the best pricing information available. Furthermore, the NCSA Contract Administrator reserves the right to reject any or all bids, in whole or in part, and/or make awards either as individual items or as a total combined bid, whichever they consider to be in the best interest of the local governmental agency, and to waive any informality in any proposal.

Specifications and solicitation documents may be obtained by bona fide bidders via the NCSA website at www.ncsheriffs.org. Vendors who wish to participate in this invitation to bid should participate in the Pre-Bid Conference (date found on the official Invitation to Bid).
