**PO Box 1527**  
**Easley, SC 29641**

**NOTICE OF CHANGE**

October 30, 2020

To: All Customers and Vendors of Nu-Life Environmental

In October 2018 Nu-Life Environmental was acquired by Iron Container, LLC located in Miami, Florida. We have continued to do business as Nu-Life Environmental in Easley, SC. This transition went very well. However, at this time, our Corporate Management has decided that as of January 1, 2021, we will operate as Iron Container, LLC.

We would appreciate if you would update your records accordingly and replace the Nu-Life Environmental name with Iron Container, LLC. This will include Invoices, Statements, Purchase Orders, Checks, etc.

The only difference in our Easley locations will be the name change. We will continue to operate our facilities here in Easley, SC as before providing quality products and services.

Below are some reminders that may be helpful as you update your records.
