**2020-2021 North Carolina Sheriff's Association  
Police Rated, Administrative, Utility Vehicles, Trucks Vans  
Bid 21-07-0915**

CNG/Propane Gaseous Engine Prep Package - Includes hardened engine intake valves, valve seats and bi-fuel manifold. Note: This package does not include CNG/propane fuel tanks, lines, etc. Vehicle will be equipped with the standard factory gasoline fuel system. Additional equipment combined with certified calibration reflash is required, from an external upfitter, to convert the vehicle to a CNG/propane fueled vehicle. See Alternative Fuel Buyers Guide: [www.ford.com/altfuelbuyersguide](http://www.ford.com/altfuelbuyersguide). Ford Motor Company does not provide an exhaust or evaporative emissions certificate with this option when converted to use CNG or propane fuel. Ford does not represent that a vehicle converted to use CNG or propane will comply with all applicable U.S. or Canadian safety standards. It is the responsibility of the final stage manufacturer (body-builder, installer, alterer or subsequent stage manufacturer) to determine that any vehicle converted to use CNG or propane complies with U.S. Federal, California or Canadian exhaust and evaporative emission requirements, Federal fuel economy standards, U.S. and Canadian safety standards, labeling and any other requirements

98F \$296.10
